How to type special German characters on a regular desktop keyboard:

1. Turn on Num Lock
2. Hold the left-hand ALT key down
3. And with your right hand on the numeric keypad, type "0" (zero) plus the three-digit ASCII number, as follows:

Ä = 0196	ä = 0228
Ö = 0214	ö = 0246
Ü = 0220	ü = 0252
ß = 0223	

2. Hold ALT key down with left hand

3. Type the appropriate 4-digit number from the table above on the numeric keypad with your right hand
